

CURRICULUM VITAE

Dr. Davide Ricci
Environmental Economist

• WORK EXPERIENCE

Pavia (PV) Italia
November 2022 - Present

Marsciano (PG) Italia
April 2022 - Dic 2022

Perugia (PG) Italia
January 2022 - March 2022

Perugia (PG) Italia
January 2019 - January 2022

Siena (SI) Italia
June 2018 - September 2018

Magione (PG) Italia
June 2016 - November 2016

PhD Student (Full Time)

IUSS Pavia, PhD SDC XXXVIII

Sustainable Development and Climate Change: "Socio-economic risks and impacts"
CU 2.16, Economic Department - Università degli Studi di Perugia & IUSS Pavia

Sustainability Specialist (Full Time)

Techne Srl

I've done energy analysis of FV plants: production for exchange/self-consumption and CO2 saving monitoring. Sometimes I worked on customer practices or in EVC (Electric Vehicle Charging Solutions) network development. I was part of a Sustainability reporting team focusing my analysis on GHG accounting. I worked also on Renewable Energy Communities doing cost-benefit analysis for municipalities.

Environmental Consultant (Stage)

Legambiente Umbria

I've worked as external consultant on "Ecosistema Urbano 2022": an environmental report in terms of urban ecosystem services. I've focused my activities on ArcGIS data analysis to achieve environmental KPIs for 15 Municipalities in Umbria.

E-Logistic Warehouse Manager (Full time)

Bico Emissioni-Zero

I've done management activities and work planning for a Zero Emission Logistic Company. Activities: Road-mapping and tracking of delivery route, back office with commercial partner and warehouse management in terms of storekeeping and e-vehicles repairing.

Market Analyst (Stage)

Santa Chiara Innovation Lab

I've done marketing analysis on food sustainability through innovative food communication. I took part of "Sustainable Food Workshop: Food and Youth" promoted by Santa Chiara Lab and University of Siena.

Accounting (Internship)

Comune di Magione

University Internship on Municipal accounting area. I worked on budget audit and on press office affairs.
